

Unique Waterfront Opportunity – Fremantle

Request for Proposal

Fremantle Ports is seeking requests for proposals for the repurposing and leasing of the two Western-most Bays of the Fremantle Ports Workshops

Bounded by Victoria Quay and iconic Slip Street, this heritage-listed asset presents a great opportunity for development in an exciting precinct.

Situated directly alongside the award-winning WA Maritime Museum and opposite to a highly popular microbrewery in A Shed, the 1,125m² area features jarrah timbers, high open ceiling spaces and design details from the 1950s.

The building is considered ideal for the development of creative, arts and cultural purposes, with complementary food/beverage considered.

This is an opportunity to be at the forefront of exciting future developments anticipated for Victoria Quay, to create an exciting and vibrant people-oriented place.
